

Le Royal Champêtre B&B Gîte Recognition of Excellence

## **HotelsCombined recognize Le Royal Champêtre among the best hotels in Canada**

Boischatel, Canada, 23rd of January 2020- HotelsCombined, the Australian based hotel meta-search company, has started an extensive survey covering different types of accommodations within Canada. This survey is based on gathering data from millions of guest reviews, and translating them to an official Recognition of Excellence.

Le Royal Champêtre has consistently produced a high satisfaction rating among guests and travel industry experts. Le Royal Champêtre has received and earned an impressive guest rating of 9.6 out of 10 on HotelsCombined.

Le Royal Champêtre now joins an elite group of hotels around the world that have been awarded the HotelsCombined Recognition of Excellence. This exclusive collection of highly-rated accommodations has been chosen using a strict set of criteria such as the quality and consistency of reviews, the absence of recurring or unresolved issues with customers, popularity of the property and of course, the overall resulting score.

The Royal Champêtre's owner said: *« I am thrilled to receive such a Recognition which confirms that clients satisfaction was reached. There is no doubt that the quality of service you give to people has a direct impact on their travel experience. The Road of the Nouvelle-France, the Avenue Royale, is a worth seeing region (for its landscape, local farms, art galleries, museums and outdoor activities), when Quebec is planned on the itinerary. »*

“We are thrilled to be working with the best hotels in Canada. Le Royal Champêtre has proven its place among them with this award and its commitment to providing high-quality services to all guests,” said Melinda Balazs, Hotel Awards Program Manager at HotelsCombined.

“With HotelsCombined 30 million people are finding the best deal available on-line every month. With this award, we'd like to make it even easier for every traveller to identify the best hotel for customer service and therefore the best value for their money”.
